

European Stag Meeting 2027

Sint-Michielsgestel, Netherlands,
friday mai 28 - sunday mai 30, 2027

*Program
and
registration*

May 28 to 30, 2027, that much is certain.

On these days, Stag Club Nederland is organizing the 38th European Stag Meeting in Sint-Michielsgestel, a smaller town just outside 's-Hertogenbosch, the capital of the southern province of North Brabant. The beautifully situated luxury hotel/conference center De Ruwenberg will be the venue for the event.

What is on the program:

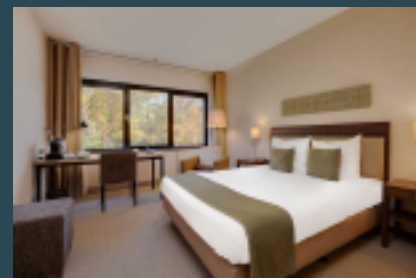

We expect our guests on Friday. For early arrivals or those who arrived on Thursday, a scenic drive has already been planned for the morning, interrupted by lunch at a brewery. Afterwards, there is a choice of visiting the brewery or, a short distance away, the Van Gogh Museum in Nuenen. We will be back in time for the official opening in the afternoon, followed by an informal dinner.

On Saturday, you will be treated to a beautiful drive that is interrupted halfway through for lunch on a lovely boat taking us through the Biesbosch. De Biesbosch National Park is a unique protected nature reserve on the border between North Brabant and South Holland. After this break, the drive takes us through even more stunning regions, returning to the hotel around four o'clock. There, we will take a moment to relax, have a drink, and end the day with dinner, followed by a pleasant get-together to the sounds of our band. And, of course, dancing is allowed.

We reserve Sunday for another beautiful ride that takes you to Altena, where you will be a guest at an old fort that formed part of the defenses around the west of our country in the 17th and 18th centuries. Here we will enjoy a 'High Tea', and the closing gathering is also scheduled.

If you would like to arrive a day earlier, that is no problem. The hotel room will then be available from 2:00 PM on Thursday, and breakfast on Friday morning is included. You can select this extra option on the registration page.

Arrangements have also been made for guests who wish to stay at the hotel on Sunday evening. Breakfast will be ready on Monday morning, after which the onward journey can begin. You can select this option on the check-in page as well. Dinner at the hotel is not included on these extra days. A list of restaurants in the immediate vicinity and in 's-Hertogenbosch is available. You may choose from this list if desired.

Extra option this year: the routes as GPX files. These files will be available on the website or sent upon request. A GPX file can be imported into various navigation systems and can also be used in combination with apps on a mobile phone.
